FEMANCE.—Between 11 and 12 o'clock on Saturday night smoke was discovered issuing from a shanty situated at the 14 West Nineteenth street. An alarm was given, the police entered the premises, and found a bed on fire. In this bed lay Mrs. Ann Gillen, grossly intoxicated. Her two sons, aged 10 and 12 years, were also found in the same bed, sound asleep. In a few minutes more, in all probability, they would all have perished in the fiames, as the fire was rapidly extending over the bedding. The wretched woman was carried out into the street and sonweyed to the station house, as were also her two calliden. The fire was put out with a few palls of water. The fire occurred by the woman, in her intoxicated state, carriessly leaving a lighted candle against the beddethes. She was taken before the magistrate on a charge of intoxication, and the children will probably be taken care of by the proper authorities.
